---

**91** **Domaine de la Butte Bourgueil Mi-Pente 2007 \$40** This shows extra coffee and roasted fig aromas to go with its alluring mulled spice, licorice root and macerated currant fruit notes. A solid iron edge is buried on the finish. This still has a brooding feel, but the complexity is there. Drink now through 2011. 1,000 cases made.—J.M.
