90 **Domaine Courbis** **Cornas La Sabarotte**

2002 \$65 Impressive color and aromatics for the vintage, with ripe plum and boysenberry fruit layered with showy vanilla-scented toast. The fruit shows length, and a mocha note adds richness to the finish, which expands in the glass. Drink now through 2007.—J.M.

89 **Domaine Courbis** **Cornas Les Eygats 2002**

\$48 Dark and smoky, with lots of coffee and mocha-tinged toast, this nonetheless has solid fruit for the vintage, with blackberry and cassis notes that belie the vintage's pedigree. Slightly firm in the end, but the fruit is persistent as well. Drink now through 2006.—J.M.
