[Should read: JEAN-MAURICE RAFFAULT]

JEAN-MARIE RAFFAULT (*Chinon*)

Chinon 🍷 \$\$ This quite silken-textured basic bottling is loaded with black fruits, tinged by vanilla, chocolate, and the bitterness of cherry pits.

Chinon Clos d'Isoré 🍷 \$\$\$ This offers a richly textured, formidably concentrated and complex medley of black cherry, blueberry, herbs, flowers, and raw beef, tinged with iodine and cherry pit and underlain with chalk and wet stones.

Chinon Les Galuches 🍷 \$\$\$ Black fruits here mingle with beef broth, iodine, and bitter cherry stones. Juicy, bright, and faintly saline, this persists with ripe yet invigoratingly tart fruit.
